

John Baker is passionate about recovery ministry because he's experienced it first hand. He's the founder of the Celebrate Recovery program, the pastor of Celebrate Recovery at Saddleback Church in Lake Forest, Calif., and author of *Life's Healing Choices*. Twenty years ago, God gave John a vision for a Christ-centred recovery program. Today, more than 700,000 people have gone through this recovery process in more than 17,000 churches. Joining John will be his wife of 41 years, Cheryl, who has worked side-by-side with him since the inception of Celebrate Recovery. Come and listen to John and his team as they share with us how this great ministry can change your life.

Celebrate Recovery European Conference

June 16th 2012

Conference Location:

Everyone is feeling the effects of the declining and uncertain economy. This includes our church budgets! One of the first things we often eliminate is attending church conferences. Let me give you three reasons why attending a Celebrate Recovery One-Day Seminar near you is vital to your church.

- 1.** When the economy is struggling, people in your church and community feel hopeless and defeated as they are losing their jobs, their homes, or struggling just to pay their monthly bills.
- 2.** History has proven that during times like these the number of people turning to addictions and compulsions greatly increases.
- 3.** In the United States alone, there are already 18 million alcoholics, 4 million drug addicts, 16 million sex addicts, and 4 million addicted to food. The list goes on!

We know the only true and lasting answer for those feeling hopeless is to turn to Jesus Christ! But how does your church reach out to those who are struggling? Over 17,000 churches have found a way to help individuals with any kind of hurt, hang-up, or habit. They started a Christ-centered recovery program based on God's word.

My team and I are coming to a location near you, to help keep your travel expenses down. We'll teach you everything you need to know about starting a successful Celebrate Recovery outreach in your church.

In His Steps,

John Baker
