Bible-based recovery programme  
designed to help people address a  
variety of hurts, hang-ups and habits.

## What is Celebrate Recovery?

Celebrate Recovery is a Christ-centred, 12 step recovery programme for anyone struggling with hurt, pain or addiction of any kind. Celebrate Recovery is a safe place to find community and freedom from the issues that are controlling our life.

## Contribute to the work of Celebrate Recovery across the UK

We would love you to help us by contributing financially to the work of Celebrate Recovery in the UK.

Celebrate Recovery UK receives no external funding and requires funds to continue to develop and grow this amazing ministry in unreached parts of the UK. Celebrate Recovery groups always operate as ministries of local churches. Through a wide range of seminars, conferences and resources, the work of Celebrate Recovery UK assists established groups to develop and also encourages new groups to get started.

A small monthly payment would really help grow Celebrate Recovery and to spread the word across the UK. A regular contribution of £3, £5 or £10 will make a real difference.

If you would like to set up a standing order you can do this via online banking using the details contained within the form to the right, or simply complete the form and send it directly to your bank.

Thank you for helping Celebrate Recovery UK in this way.
